main description

In a natural environment in the Ardennes, Europacamp campsite offers its holidaymakers the opportunity to get away from the hustle and bustle of everyday life. On footpaths, in a mass of wild orchids between two tents or listening to deer burl from a caravan, nature is everywhere.

Several pitches for caravans, tents or camper vans are spread over the entire 22-hectare estate just 1 km from Saint-Hubert.

Opening/closing hours and days

Bar and restaurant open from Wednesday to Sunday from 11:00 am.

Extra opening day during the summer period.
