main description

Located in the Upper Lesse region, in the heart of nature, L'Albizia in Libin welcomes you in a charming mansion. The property was built at the beginning of the 20th century by Paul Dubois, after whom our street is named.

We have tried to preserve the authentic spirit of the house and have decorated the property with care to offer you maximum comfort for rest and well-being.

Five rooms, all equipped with a bathroom with bath or shower, are furnished with high quality beds in a classic but modern setting.

A large garden around the house, and a heated swimming pool with a roof that can be opened, complete the service offer. A wellness centre with sauna and jacuzzi, reserved for guests, complements the swimming pool. Cosmetic treatments and/or professional massages are also possible upon reservation within the hotel.

The Albizia in Libin is 3 km from exit 24 of the E411. The region has countless opportunities for walking in the forest and many places of interest to discover, such as the Euro Space Center, or the book village of Redu.
