main description

Le Moulin d'en Bas is a building full of character, converted into two gîtes with large capacity, for groups of friends, families or companies. This old-fashioned mill with unmistakable charm, built along the Route de Poix, is located in the heart of nature and on the edge of the Saint-Hubert forest. You will be immediately seduced by its authenticity and tranquillity.

additional description

The gîte "Atelier" was originally the grain workshop. The building has been carefully restored and updated while retaining its charm. Ideal for large families, stays with friends, the Atelier can accommodate up to 14 people with all the desired comfort. Each bedroom has its own bathroom and toilet. Outside, the mill wheel reminds us of its original function.
