## main description

Are you tempted by a journey in the Belgian Ardennes? The Auberge de Jeunesse (youth hostel) of Champlon is the ideal place for whoever wants to get far away from the urban life. It is a travel destination that is very appropriate to hikes or bicycle rides and also to cross-country skiing in winter.

Thanks to its relax atmosphere, it offers a prime housing for families and groups who want a breath of fresh air.

For the animal lovers, the Auberge de Jeunesse of Champlon is located near some beavers' sites and near listening points for the stag bell.

The youth hostel has also the "Bienvenue Vélo" label
