main description

In the heart of the valleys of the Purthe and of the Laval, Geneviève and Denis open for you the doors of a charming bed and breakfast that is old more than 300 years; some cosy rooms have been fitted for your greatest comfort, a flowered garden, a very calm and resting place.

You will be pleased by the peace of the countryside and of the neighbouring forests that will enable you to recharge your batteries. Note that you can taste fina products: the honey from the Rucher du Court-Champs apiary - the home-made jam - the Cuvée de la Jonquille beer - the chocolate from Sainte-Ode - the La Bonne Dame et la fleurette's cheese - salt meats from the Ardennes and so on...

In the evening, Geneviève will prepare you some receipts she heired from her family's traditions with fresh products. Organization of walks and rides and of bicycle and MTB rides. Pauses on the Transardennaise's GTA path, on the Thin-meuse path, of the Road of the forets and on the Sûre's Road, on the transardennaise by foot, by MTB, by bicycle. Pause on the FFBMP - IVV permanent track. Recommended by the Guide du Routard, Le Petit Futé, Maisons de caractère and the Gîtes de Wallonie.
