## main description

In the heart of this little village of Awenne, land of the clog-makers of yesteryear, lies a space dedicated to gastronomy : the restaurant « Les 7 Fontaines d'Awenne ».

Here you'll find a refined and intuitive cuisine prepared with seasonal products by Luc Dewalque, Chef-owner.

The must : ears open to all and knowing the curiosity of some gourmets, it's in the kitchen, space usually censored, that the Chef and his team have set up a guest table allowing you to participate in the feast in good mood...
