more about this

Explicative booklet (French/Dutch): 2,00€ available at the Tourism Office.

Guided group visit tour upon reservation (French/Dutch - min. 10 pers.).

main description

The Viewpoint Route is a 54,6 km (31 miles) circuit that leads you to the discovery of the natural heritage of the entity of Nassogne. Several information panels (FR/NL) describe the landscape or relate the legend attached to the place. Rest areas (of which two are equipped with barbecues) allow you to relax with your family or friends.
